PROFILE

I am currently reading Bachelor of computer science. I am passionate about using data to solve real-world problems. I have strong quantitative skills. I am also an excellent communicator, and I am able to translate complex data into clear and concise insights.

SKILLS

- Excel
- SQL
- Python(basics)
- power bi
- English(fluent)

EXPERIENCE

AN AUDITOR

Rid way company limited

2021- for two months

- 1. I worked as an Auditor at Ridway Company Limited (Ghana). My responsibilities included auditing the sales of employees and assisting them in acquiring new customers.

VENDOR AGENT

MTN

2021- for 7 months

- 2. I served as a mobile money agent at MTN, where I managed customer data. I applied for authorization to become one of their mobile money vendors, and my request was approved. I worked for them remotely from my house.

PERSONAL PROJECTS

- 1. I developed a shipping products dashboard to identify products that were not generating sufficient revenue for the company. Through visualization, I was able to provide solutions to improve their performance. You can find this project on my portfolio website.
- 2. Additionally, I created a cookies dashboard that displays the profits obtained by the company through the distribution of cookies based on the cookie type. The dashboard helped me identify that certain cookies were not frequently requested by customers

EDUCATION

SECONDARY SCHOOL

Sunyani Senior High School

2017- 2020

BACHELOR OF COMPUTER SCIENCE

University of cape Coast

2021 - 2025
